

## Be Careful

No woman can be too careful of her condition during the period before her little ones are born. Neglect or improper treatment then endangers her life and that of the child. It lies with her whether she shall suffer unnecessarily, or whether the ordeal shall be made comparatively easy. She had better do nothing than do something wrong.

### MOTHER'S FRIEND

Is the one and the only preparation that is safe to use. It is a liniment that penetrates from the outside. External applications are eternally right. Internal medicines are radically wrong. They are more than humbugs—they endanger life.

Mother's Friend helps the muscles to relax and expand naturally—relieves morning sickness—removes the cause of nervousness and headache—prevents hard and rising breasts—shortens labor and lessens the pains—and helps the patient to rapid recovery.

From a letter by a Shreveport, La., woman: "I have been using your wonderful remedy, Mother's Friend, for the last two months, and find it just as recommended."

Druggists sell it at \$1 per bottle.

## Skin Diseases

When the excretory organs fail to carry off the waste material from the system, there is an abnormal accumulation of effete matter which poisons and clogs the blood, and it becomes sour and acid. This poison is carried through the general circulation to all parts of the body, and upon reaching the skin surface there is a redness and eruption, and by certain peculiarities we recognize Eczema, Tetter, Acne, Salt Rheum, Psoriasis, Erysipelas and many other skin troubles, more or less severe. While the skin is the seat of irritation, the real disease is in the blood. Medicated lotions and powders may allay the itching and burning, but never cure, no matter how long and faithfully continued, and the condition is often aggravated and skin permanently injured by their use.

**The disease is more than skin deep; the entire circulation is poisoned.**

The many preparations of arsenic, mercury, potash, etc., not only do not cure skin diseases, but soon ruin the digestion and break down the constitution.

S. S. S., nature's own remedy, made of roots, herbs and barks, of great purifying and tonic properties, quickly and effectually cures blood and skin troubles, because it goes direct to the root of the disease and stimulates and restores normal, healthy action to the different organs, cleanses and enriches the blood, and thus relieves the system of all poisonous secretions. S. S. S. cures permanently because it leaves none of the original poison to reform in the blood and cause a fresh attack.

Healthy blood is necessary to preserve that clear, smooth skin and beautiful complexion so much desired by all. S. S. S. can be relied upon with certainty to keep the blood in perfect order. It has been curing blood and skin diseases for half a century; no other medicine can show such a record.

S. S. S. contains no poisonous minerals—it is purely vegetable and harmless. Our medical department is in charge of physicians of large experience in treating blood and skin diseases, who will take pleasure in aiding by their advice and direction all who desire it. Write fully and freely about your case; your letters are held in strictest confidence. We make no charge whatever for this service. Our book on Blood and Skin Diseases will be sent free upon application.

#### IF I WERE YOU.

I wouldn't think about dieting,  
If I were you.  
I wouldn't even once confess  
To ever feeling blue,  
But when the sun is well disposed  
To shine upon our friends and foes  
I'd be content with even less,  
If I were you.

Just let it rain or snow or shine;  
'Twill bring no gain  
To blame misfortune or repine;  
The longest lane  
Will end sometime, and every day  
Roses will bloom along the way,  
Because of rain.

Then sing your songs; cry if you must,  
But keep in view  
The healthy soul inspiring trust  
That's always due  
To them that strive to live above  
All earthly things—excepting love;  
I'd let all other treasures rust,  
If I were you!

#### FATE OF A CAESAR'S ASHES.

Shakespeare's Concoct Finds a Counterpart in Reality.

When Shakespeare put in the mouth of Hamlet the curious conceit about the dust of the great Alexander having become loam and then stopping a bung hole in a beer barrel, he had seemed to reach the ultimate extravagance of imagination. Yet, near the Porta Salara a still more unexpected extravagance was revealed after the excavations carried on there. In these a cippus, or sepulchral column, containing a cinerary urn of rare oriental alabaster was brought to light. The inscription on the cippus revealed that the ashes contained within the urn were those of Calpurnius Piso Licinianus, who, in February, A. D. 69, was proclaimed Caesar by the Emperor Galba. Four days afterward Galba was killed, and Piso also suffered death in his thirty-first year. His were the ashes that the alabaster urn contained.

The precious urn was given to a workman employed on the premises to take care of. Some days after, when the proprietor of the place asked for the urn, he found it empty. "Where," said he, "are the ashes that were here?" The workman, surprised, said that he gathered them together and, never dreaming that they were any good, but being white and clean, sent them to his wife to make lye for her washing! And thus, said the late Shakespeare Wood, describing this incident, have the ashes of an imperial Caesar, adopted by Galba as Tiberius was adopted by Augustus and accepted by the senate, been used more than 18 centuries after his death by a Roman washerwoman to cleanse her dirty linen, together with the ashes of other members of the family in whose veins flowed the noble blood of Crassus and of Pompey the Great!—Baltimore Sun.

#### Question Answered

Y-s August Flower still has the largest sale of any medicine in the civilized world. Your mothers, and grandmothers, never thought of using anything else for indigestion or biliousness. Doctors were scarce, and they seldom heard of Appendicitis, Nervous Prostration or Heart failure, etc. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing serious the matter with you. Sold by dealers in all civilized countries. oct-27-ly
